This is filed in reply to the Commissioner's letter of July 10, 2001, rejecting the declaration submitted on April 30, 2001 for the above-noted patent application and providing two months, or until September 10, 2001, to reply.

The applicants are simultaneously submitting a petition under 37 CFR 1.136(a) for an extension of time of 2 months, rendering a due date for filing a response November 10, 2001.

The declaration filed on April 30, 2001 was rejected on the basis that:

- (i) the declaration does not list the residences and mailing addresses of the legal representatives as required by 37 CFR 1.497(b)(2); and
- (ii) the declaration does not provide the mailing addresses and residences of co-inventors, R.C. Warrington and Alan A. Boulton as required by 37 CFR 1.63 unless such information is supplied on an application data sheet in accordance with 37 CFR 1.76.

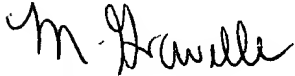

In this regard, please find enclosed a newly executed Declaration having the residences and mailing addresses of (i) the legal representative (Canada Trust); (ii) the persons signing on behalf of the legal representative; and (iii) all of the inventors (including the last known residence and mailing address for the deceased).

We submit that the above reply and enclosures satisfactorily respond to the Commissioners request.

If any other fee is due, the Commissioner is authorized to charge any such fee to Deposit Account No. 02-2095.

Respectfully submitted,

**R.C. Warrington, I.A. Paterson and A.A. Boulton**
